NOTICE TO POLICYHOLDERS6-4511
(12-98)**BROADENINGS, RESTRICTIONS AND CLARIFICATIONS OF COVERAGE**

This notice has been prepared in conjunction with the implementation of changes to your policy. It contains a brief synopsis of the significant broadenings, restrictions and clarifications of coverage that were made in each policy form and endorsement. This notice does not reference every editorial change made in these forms and endorsements.

Please read your policy and the endorsements attached to your policy carefully.

PERSONAL AND ADVERTISING INJURY

Personal and Advertising Injury has been listed separately because the changes in the Personal and Advertising injury in these coverage forms result in broadening in coverage in certain respects and may, in certain states, result in a decrease in other respects. The impact of the changes in the revision are very difficult to quantify and may differ in different states. Taken as a whole, the revised Personal and Advertising Injury Coverage is at least equal to, if not broader than, that which the current coverage provides.

CG 00 01 07 98 -- Commercial General Liability Coverage Form (Occurrence Version)

The following revisions may result in broadening in coverage in certain respects and may, in certain states, result in a decrease in other respects.

- We have provided coverage for "trade dress" while deleting the terms "style of doing business" and "title."
- The current "willful violation of a penal statute" exclusion has been replaced with a "criminal acts" exclusion.
- The change from the underlined term "advertising activities" to a defined term "advertisement" is intended to strengthen the necessary causal connection between the covered offenses and the insured's advertisement.
- The addition of an intentional injury exclusion in Coverage B clarifies the intent of the coverage as supported by the general principle of insurance which requires fortuity for coverage to apply.

Coverage B has been broadened by including consequential "bodily injury," while Coverage A has been reduced by adding a complementary exclusion to avoid duplicate coverage. Overall, these two changes create no change in coverage.

CG 28 05 Personal Injury Liability

The following revisions may result in broadening in coverage in certain respects and may, in certain states, result in a decrease in other respects.

- The current "willful violation of a penal statute" exclusion has been replaced with a "criminal acts" exclusion.
- The addition of an intentional injury exclusion in Coverage B clarifies the intent of the coverage as supported by the general principle of insurance which requires fortuity for coverage to apply.

Coverage B has been broadened by including consequential "bodily injury," while Coverage A has been reduced by adding a complementary exclusion to avoid duplicate coverage. Overall, these two changes create no change in coverage.

BROADENINGS OF COVERAGE - COVERAGE FORMS**CG 00 01 -- Commercial General Liability Coverage Form (Occurrence Version)****CG 00 09 -- Owners and Contractors Protective Liability Coverage Form**

The pollution exclusion in these coverage forms is being revised to provide an exception applicable to the named insured for liability arising out of a release of pollutants at certain premises, sites or locations which are or were at any time, owned or occupied by, or rented or loaned to, an additional insured for which the named insured is performing operations as a contractor under certain circumstances.

The pollution exclusion in these coverage forms is also being revised to provide an exception for bodily injury or property damage sustained within a building and caused by the release of gases, fumes or vapors from materials brought into that building in connection with operations as a contractor being performed by or on behalf of any insured.

CG 00 01 -- Commercial General Liability Coverage Form (Occurrence Version)

Several revisions have been made to this coverage form to provide additional coverage for damage to premises rented or loaned to the named insured on a short-term basis.

BROADENINGS OF COVERAGE - MULTISTATE ENDORSEMENTS**CG 22 93 -- Introduction Of Lawn Care Services Coverage Endorsement**

The new endorsement provides limited pollution coverage for lawn care services risks.

CLARIFICATIONS IN COVERAGE AND OTHER EDITORIAL REVISIONS -- COVERAGE FORMS

All General Liability coverage forms contain minor editorial revisions to provide for consistency among policies. In addition, these coverage forms have been revised to incorporate other various revisions in order to clarify coverage. The latter category of revisions to each individual coverage form are described below:

CG 00 01 -- Commercial General Liability Coverage Form (Occurrence Version)**CG 00 09 -- Owners and Contractors Protective Liability Coverage Form**

These policies have been clarified with respect to third-party property damage claims by indicating that paragraph (2) of the pollution exclusion does not nullify coverage for property damage not excluded by paragraph (1) of the exclusion.

CG 00 01 -- Commercial General Liability Coverage Form (Occurrence Version)

Paragraph 4.b.2. has been added to the Other Insurance Condition of Section IV - Commercial General Liability Conditions to make an insured's own CGL coverage excess insurance over the insurance provided by any other primary insurance policy which covers that insured as an additional insured. This change currently exists via a mandatory endorsement (CG 00 55), and is now simply being incorporated directly into the CGL policies.

CG 00 35 -- Railroad Protective Liability Coverage Form

- The definitions of "pollutants" and "hostile fire," which are contained within the current exclusion, are being moved to the definitions section. The word "contractor" has been made a defined term and definitions of both "mobile equipment" and "auto" have been included in the form to provide consistency with various ISO General Liability Coverage forms.

- CG 00 01 -- Commercial General Liability Coverage Form (Occurrence Version)
CG 00 09 -- Owners and Contractors Protective Liability Coverage Form
CG 00 37 -- Products/Completed Operations Liability Coverage Form (Occurrence Version)

HOW TO SAVE MONEY AT AUDIT TIME

6-4578
(2-00)

When, and why is an audit necessary? An audit is necessary after the expiration of a policy which has a variable premium base, such as payroll or sales. It is necessary to determine the correct exposure or premium base for the insurance coverage provided.

The original premium on this policy was an estimated premium. The final audit determines the actual premium. When actual exposures differ from estimated exposures, an adjustment must be made to the premium of the expired policy.

How should your records be kept? Proper record keeping will permit the auditor to apply any allowable credits to your final premium. When the auditor requests payroll information, this means remuneration. Remuneration means money or any substitute for money.

To obtain proper credits, your books should reflect the following:

Overtime: In most states the amount paid in excess of straight-time pay can be deducted if the excess can be verified in your records. You must show overtime pay separately by employee and in summary by classification of work. If this is done, the auditor will be able to make deductions from your payrolls.

Without the proper breakdown, no overtime deduction can be made.

Division of Payroll: Generally, a division of an individual employee's payroll to more than one classification is not allowed, except for construction or erection workers. In these cases, the payroll may be allocated to each type of work performed if proper records are kept. Your records must show the number of hours and amount of payroll for each type of work. Without an adequate breakdown, the full payroll must be charged to the highest-rated classification.

If you are a contractor and your exposure is based on the number of employees (Ultra Contractors Policy), it will be necessary for the auditor to determine the actual number of days that each employee worked during the policy term. This is required to assure that your policy premium will adequately reflect the actual exposures.

Subcontractors:

All subcontractors that you use must provide you with current certificates of insurance proving they have General Liability insurance as well as Workers' Compensation insurance for the time that work is performed. If American States Business Insurance is providing your general liability coverage, the limit of liability required by each of your subcontractors is a minimum of \$100,000 of coverage or at least 50 percent of your liability insurance policy limits - whichever is less.

If the certificates of insurance are not available for review, the subcontractor amounts must be treated as payroll and appropriate premium charges will be made.

Sales Records: If your policy is based upon gross sales, the records need to be separated by location in order for us to be able to rate your policy properly. There are some allowable deductions from the total sales. These include:

- Sales and excise taxes collected and submitted to a government division.
- Credits for repossessed and returned products, including allowances for spoiled and damaged goods.
- Royalty income from patent rights or copyrights which are not product sales.
- Freight charges on sales, if freight is charged as a separate item on the customer's invoice.

Note: If an audit is needed, the above information represents the general rules that are in effect in most jurisdictions. There are exceptions to these rules that may apply in your state. We suggest that you discuss your particular situation with you agent.

G. OTHER INSURANCE

1. You may have other insurance subject to the same plan, terms, conditions and provisions as the insurance under this Coverage Part. If you

do, we will pay our share of the covered loss or damage. Our share is the proportion that the applicable Limit of Insurance under this Coverage Part bears to the Limits of Insurance of all insurance covering on the same basis.

2. If there is other insurance covering the same loss or damage, other than that described in 1. above, we will pay only for the amount of covered loss or damage in excess of the amount due from that other insurance, whether you can collect on it or not. But we will not pay more than the applicable Limit of Insurance.

H. POLICY PERIOD, COVERAGE TERRITORY

Under this Coverage Part:

1. We cover loss or damage commencing:
 - a. During the policy period shown in the Declarations; and
 - b. Within the coverage territory.
2. The coverage territory is:
 - a. The United States of America (including its territories and possessions);
 - b. Puerto Rico; and
 - c. Canada.

I. TRANSFER OF RIGHTS OF RECOVERY AGAINST OTHERS TO US

If any person or organization to or for whom we make payment under this Coverage Part has rights to recover damages from another, those rights are transferred to us to the extent of our payment. That person or organization must do everything necessary to secure our rights and must do nothing after loss to impair them. But you may waive your rights against another party in writing:

1. Prior to a loss to your Covered Property or Covered Income.
2. After a loss to your Covered Property or Covered Income only if, at time of loss, that party is one of the following:
 - a. Someone insured by this insurance;
 - b. A business firm:
 - (1) Owned or controlled by you; or
 - (2) That owns or controls you; or
 - c. Your tenant.

This will not restrict your insurance.

COMMERCIAL PROPERTY

regulating the construction, use or repair of any property.

4. Extension Of Replacement Cost To Personal Property Of Others

- a. If the Replacement Cost Optional Coverage is shown as applicable in the Declarations, then this Extension may also be shown as applicable. If the Declarations show this Extension as applicable, then Paragraph 3.b.(1) of the Replacement Cost Optional Coverage is deleted and all other provisions of the Replacement Cost Optional Coverage apply to replacement cost on personal property of others.

- b. With respect to replacement cost on the personal property of others, the following limitation applies:

If an item(s) of personal property of others is subject to a written contract which

governs your liability for loss or damage to that item(s), then valuation of that item(s) will be based on the amount for which you are liable under such contract, but not to exceed the lesser of the replacement cost of the property or the applicable Limit of Insurance.

H. Definitions

1. "Pollutants" means any solid, liquid, gaseous or thermal irritant or contaminant, including smoke, vapor, soot, fumes, acids, alkalis, chemicals and waste. Waste includes materials to be recycled, reconditioned or reclaimed.
2. "Stock" means merchandise held in storage or for sale, raw materials and in-process or finished goods, including supplies used in their packing or shipping.

A. Coverage

We will pay for direct physical loss of or damage to Covered Property at the premises described in the Declarations caused by or resulting from any Covered Cause of Loss.

1. Covered Property

a. Building, meaning the building or structure described in the Declarations, including:

- (1) Completed additions;

b. Your Business Personal Property located in or on the building described in the Declarations or in the open (or in a vehicle) within 100 feet of the described premises, consisting of the following unless otherwise specified in the Declarations or on the Your

Business Personal Property - Separation of Coverage form:

2. Property Not Covered

Covered Property does not include:

- a. Accounts, bills, currency, food stamps or other evidences of debt, money, notes or securities. Lottery tickets held for sale are not securities;
- b. Animals, unless owned by others and boarded by you, or if owned by you, only as "stock" while inside of buildings;

COMMERCIAL PROPERTY

- d. Bridges, roadways, walks, patios or other paved surfaces;
- e. Contraband, or property in the course of illegal transportation or trade;
- f. The cost of excavations, grading, backfilling or filling;

- i. Personal property while airborne or waterborne;
- j. Bulkheads, pilings, piers, wharves or docks;

- (b) Vehicles or self-propelled machines, other than autos, you hold for sale;
- (c) Rowboats or canoes out of water at the described premises; or

- p. The following property while outside of buildings:

- (1) Grain, hay, straw or other crops;
- (2) Fences, radio or television antennas (including satellite dishes) and their lead-in wiring, masts or towers, signs (other than signs attached to buildings), trees, shrubs or plants (other than "stock" of trees, shrubs or plants), all except as provided in the Coverage Extensions.

3. Covered Causes Of Loss

See applicable Causes of Loss Form as shown in the Declarations.

4. Additional Coverages

a. Debris Removal

- (1) Subject to Paragraphs (3) and (4), we will pay your expense to remove debris of Covered Property caused by or resulting from a Covered Cause of Loss that occurs during the policy period. The expenses will be paid only if they are reported to us in writing within 180 days of the date of direct physical loss or damage.
- (2) Debris Removal does not apply to costs to:
 - (a) Extract "pollutants" from land or water; and
 - (b) Remove, restore or replace polluted land or water.
- (3) Subject to the exceptions in Paragraph (4), the following provisions apply:
 - (a) The most we will pay for the total of direct physical loss or damage plus debris removal expense is the Limit of Insurance applicable to the Covered Property that has sustained loss or damage.
 - (b) Subject to (a) above, the amount we will pay for debris removal expense is limited to 25% of the sum of the deductible plus the amount that we pay for direct physical loss or damage to the Covered Property that has sustained loss or damage.
- (4) We will pay up to an additional \$10,000 for debris removal expense, for each location, in any one occurrence of physical loss or damage to Covered Property, if one or both of the following circumstances apply:

CP 00 10 10 00

COMMERCIAL PROPERTY

- (a) The total of the actual debris removal expense plus the amount we pay for direct physical loss or damage exceeds the Limit of Insurance on the Covered Property that has sustained loss or damage.
- (b) The actual debris removal expense exceeds 25% of the sum of the deductible plus the amount that we pay for direct physical loss or damage to the Covered Property that has sustained loss or damage.

Therefore, if (4)(a) and/or (4)(b) apply, our total payment for direct physical loss or damage and debris removal expense may reach but will never exceed the Limit of Insurance on the Covered Property that has sustained loss or damage, plus \$10,000.

(5) Examples

The following examples assume that there is no coinsurance penalty.

Example #1

Limit of Insurance	\$90,000
Amount of Deductible	\$500
Amount of Loss	\$50,000
Amount of Loss Payable	\$49,500
	(\$50,000-\$500)
Debris Removal Expense	\$10,000
Debris Removal Expense Payable	\$10,000
	(\$10,000 is 20% of \$50,000)

The debris removal expense is less than 25% of the sum of the loss payable plus the deductible. The sum of the loss payable and the debris removal expense (\$49,500 + \$10,000 = \$59,500) is less than the Limit of Insurance. Therefore the full amount of debris removal expense is payable in accordance with the terms of paragraph (3).

Example #2

Limit of Insurance	\$90,000
Amount of Deductible	\$500
Amount of Loss	\$80,000
Amount of Loss Payable	\$79,500
	(\$80,000-\$500)

Debris Removal Expense	\$30,000
Debris Removal Expense Payable	

Basic Amount	\$10,500
Additional Amount	\$10,000

The basic amount payable for debris removal expense under the terms of Paragraph (3) is calculated as follows: \$80,000 (\$79,500 + \$500) x .25 = \$20,000; capped at \$10,500. The cap applies because the sum of the loss payable (\$79,500) and the basic amount payable for debris removal expense (\$10,500) cannot exceed the Limit of Insurance (\$90,000).

The additional amount payable for debris removal expense is provided in accordance with the terms of Paragraph (4), because the debris removal expense (\$30,000) exceeds 25% of the loss payable plus the deductible (\$30,000 is 37.5% of \$80,000), and because the sum of loss payable and debris removal expense (\$79,500 + \$30,000 = \$109,500) would exceed the Limit of Insurance (\$90,000). The additional amount of covered debris removal expense is \$10,000, the maximum payable under Paragraph (4). Thus the total payable for debris removal expense is \$20,500; \$9,500 of the debris removal expense is not covered.

b. Preservation Of Property

If it is necessary to move Covered Property from the described premises to preserve it from loss or damage by a Covered Cause of Loss, we will pay for any direct physical loss or damage to that property:

- (1) While it is being moved or while temporarily stored at another location; and
- (2) Only if the loss or damage occurs within 30 days after the property is first moved.

c. Fire Department Service Charge

When the fire department is called to save or protect Covered Property from a Covered Cause of Loss, we will pay up to \$1,000 for your liability for fire department service charges:

- (1) Assumed by contract or agreement prior to loss; or
- (2) Required by local ordinance.

COMMERCIAL PROPERTY

No Deductible applies to this Additional Coverage.

d. Pollutant Clean Up And Removal

We will pay your expense to extract "pollutants" from land or water at the described premises if the discharge, dispersal, seepage, migration, release or escape of the "pollutants" is caused by or results from a Covered Cause of Loss that occurs during the policy period. The expenses will be paid only if they are reported to us in writing within 180 days of the date on which the Covered Cause of Loss occurs.

This Additional Coverage does not apply to costs to test for, monitor or assess the existence, concentration or effects of "pollutants". But we will pay for testing which is performed in the course of extracting the "pollutants" from the land or water.

The most we will pay under this Additional Coverage for each described premises is \$10,000 for the sum of all covered expenses arising out of Covered Causes of Loss occurring during each separate 12 month period of this policy.

e. Increased Cost Of Construction

- (1) This Additional Coverage applies only to buildings to which the Replacement Cost Optional Coverage applies.
- (2) In the event of damage by a Covered Cause of Loss to a building that is Covered Property, we will pay the increased costs incurred to comply with enforcement of an ordinance or law in the course of repair, rebuilding or replacement of damaged parts of that property, subject to the limitations stated in e.(3) through e.(9) of this Additional Coverage.
- (3) The ordinance or law referred to in e.(2) of this Additional Coverage is an ordinance or law that regulates the construction or repair of buildings or establishes zoning or land use requirements at the described premises, and is in force at the time of loss.
- (4) Under this Additional Coverage, we will not pay any costs due to an ordinance or law that:

- (a) You were required to comply with before the loss, even when the building was undamaged; and
- (b) You failed to comply with.

- (5) Under this Additional Coverage, we will not pay any costs associated with the enforcement of an ordinance or law which requires any insured or others to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of "pollutants".
- (6) The most we will pay under this Additional Coverage, for each described building insured under this Coverage Form, is \$10,000 or 5% of the Limit of Insurance applicable to that building, whichever is less. If a damaged building is covered under a blanket Limit of Insurance which applies to more than one building or item of property, then the most we will pay under this Additional Coverage, for that damaged building, is the lesser of \$10,000 or 5% times the value of the damaged building as of the time of loss times the applicable coinsurance percentage.

The amount payable under this Additional Coverage is additional insurance.

- (7) With respect to this Additional Coverage:
 - (a) We will not pay for the Increased Cost of Construction:
 - (i) Until the property is actually repaired or replaced, at the same time or another premises; and
 - (ii) Unless the repairs or replacement are made as soon as reasonably possible after the loss or damage, not to exceed two years. We may extend this period in writing during the two years.
 - (b) If the building is repaired or replaced at the same premises, or if you elect to rebuild at another premises, the most we will pay for the Increased Cost of Construction, subject to the provisions of e.(6) of this Additional Coverage, is the

CP 00 10 10 00

COMMERCIAL PROPERTY

increased cost of construction at the same premises.

- (c) If the ordinance or law requires relocation to another premises, the most we will pay for the Increased Cost of Construction, subject to the provisions of e.(6) of this Additional Coverage, is the increased cost of construction at the new premises.
- (8) This Additional Coverage is not subject to the terms of the Ordinance or Law Exclusion, to the extent that such Exclusion would conflict with the provisions of this Additional Coverage.
- (9) The costs addressed in the Loss Payment and Valuation Conditions, and the Replacement Cost Optional Coverage, in this Coverage Form, do not include the increased cost attributable to enforcement of an ordinance or law. The amount payable under this Additional Coverage, as stated in e.(6) of this Additional Coverage, is not subject to such limitation.

5. Coverage Extensions

Except as otherwise provided, the following Extensions apply to property located in or on the building described in the Declarations or in the open (or in a vehicle) within 100 feet of the described premises.

If a Coinsurance percentage of 80% or more or, a Value Reporting period symbol, is shown in the Declarations, you may extend the insurance provided by this Coverage Part as follows:

With respect to insurance on or at each newly acquired or constructed property, coverage will end when any of the following first occurs:

- (a) This policy expires;
- (b) 30 days after you acquire the property or begin construction of that part of the building that would qualify as covered property; or
- (c) You report values to us.

We will charge you additional premium for values reported from the date you acquire the property or begin construction of that part of the building that would qualify as covered property.

COMMERCIAL PROPERTY

b. Personal Effects And Property Of Others.

c. Valuable Papers And Records - Cost Of Research.

You may extend the insurance that applies to Your Business Personal Property to apply to your costs to research, replace or restore the lost information on lost or damaged valuable papers and records, including those which exist on electronic or magnetic media, for which duplicates do not exist. The most we will pay under this Extension is \$2,500 at each described premises, unless a higher limit is shown in the Declarations.

d. Property Off-Premises

 - (a) Temporarily at a location you do not own, lease or operate;
 - (b) In storage at a location you lease, provided the lease was executed after the beginning of the current policy term; or
 - (c) At any fair, trade show or exhibition.
- (2) This Extension does not apply to property:
 - (a) In or on a vehicle; or
 - (b) In the care, custody or control of your salespersons, unless the property is in such care, custody or control at a fair, trade show or exhibition;
- (3) The most we will pay for loss or damage under this Extension is \$10,000.

e. Outdoor Property

You may extend the insurance provided by this Coverage Form to apply to your outdoor fences, radio and television antennas (including satellite dishes), signs (other than signs attached to buildings), trees, shrubs and plants (other than "stock" of trees, shrubs or plants), including debris removal expense, caused by or resulting from any of the following causes of loss if they are Covered Causes of Loss:

- (1) Fire;
- (2) Lightning;
- (3) Explosion;
- (4) Riot or Civil Commotion; or
- (5) Aircraft.

The most we will pay for loss or damage under this Extension is \$1,000, but not more than \$250 for any one tree, shrub or plant. These limits apply to any one occurrence, regardless of the types or number of items lost or damaged in that occurrence.

f. Non-Owned Detached Trailers

 - (c) You have a contractual responsibility to pay for loss or damage to the trailer.
- (2) We will not pay for any loss or damage that occurs:
 - (a) While the trailer is attached to any motor vehicle or motorized conveyance, whether or not the motor vehicle or motorized conveyance is in motion;
 - (b) During hitching or unhitching operations, or when a trailer becomes accidentally unhitched from a motor vehicle or motorized conveyance.
- (3) The most we will pay for loss or damage under this Extension is \$5,000, unless a higher limit is shown in the Declarations.

COMMERCIAL PROPERTY

- (4) This insurance is excess over the amount due (whether you can collect on it or not) from any other insurance covering such property.

Each of these Extensions is additional insurance. The Additional Condition, Coinsurance, does not apply to these Extensions.

B. Exclusions And Limitations

See applicable Causes of Loss Form as shown in the Declarations.

C. Limits Of Insurance

The most we will pay for loss or damage in any one occurrence is the applicable Limit of Insurance shown in the Declarations.

The most we will pay for loss or damage to outdoor signs attached to buildings is \$1,000 per sign in any one occurrence.

The limits applicable to the Coverage Extensions and the Fire Department Service Charge and Pollutant Clean Up and Removal Additional Coverages are in addition to the Limits of Insurance.

Payments under the Preservation of Property Additional Coverage will not increase the applicable Limit of Insurance.

D. Deductible

In any one occurrence of loss or damage (hereinafter referred to as loss), we will first reduce the amount of loss if required by the Coinsurance Condition or the Agreed Value Optional Coverage. If the adjusted amount of loss is less than or equal to the Deductible, we will not pay for that loss. If the adjusted amount of loss exceeds the Deductible, we will then subtract the Deductible from the adjusted amount of loss, and will pay the resulting amount or the Limit of Insurance, whichever is less.

When the occurrence involves loss to more than one item of Covered Property and separate Limits of Insurance apply, the losses will not be combined in determining application of the Deductible. But the Deductible will be applied only once per occurrence.

Example No. 1:

(This example assumes there is no coinsurance penalty.)

Deductible:	\$250
Limit of Insurance - Bldg. 1:	\$60,000
Limit of Insurance - Bldg. 2:	\$80,000
Loss to Bldg. 1:	\$60,100
Loss to Bldg. 2:	\$90,000

The amount of loss to Bldg. 1 (\$60,100) is less than the sum (\$60,250) of the Limit of Insurance applicable to Bldg. 1 plus the Deductible.

The Deductible will be subtracted from the amount of loss in calculating the loss payable for Bldg. 1:

$$\begin{array}{r} \$60,100 \\ -250 \\ \hline \end{array}$$

\$59,850 Loss Payable - Bldg. 1

The Deductible applies once per occurrence and therefore is not subtracted in determining the amount of loss payable for Bldg. 2. Loss payable for Bldg. 2 is the Limit of Insurance of \$80,000.

Total amount of loss payable: \$59,850 + 80,000 = \$139,850

Example No. 2:

(This example, too, assumes there is no coinsurance penalty.)

The Deductible and Limits of Insurance are the same as those in Example No. 1.

Loss to Bldg. 1: \$70,000

(exceeds Limit of Insurance plus Deductible)

Loss to Bldg. 2: \$90,000

(exceeds Limit of Insurance plus Deductible)

Loss Payable - Bldg. 1: \$60,000

(Limit of Insurance)

Loss Payable - Bldg. 2: \$80,000

(Limit of Insurance)

Total amount of loss payable: \$140,000

E. Loss Conditions

The following conditions apply in addition to the Common Policy Conditions and the Commercial Property Conditions.

1. Abandonment

There can be no abandonment of any property to us.

2. Appraisal

If we and you disagree on the value of the property or the amount of loss, either may make written demand for an appraisal of the loss. In this event, each party will select a competent and impartial appraiser. The two appraisers will select an umpire. If they cannot agree, either may request that selection be made by a judge of a court having jurisdiction. The appraisers will state separately the value of the property and amount of loss. If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will be binding. Each party will:

COMMERCIAL PROPERTY

- a. Pay its chosen appraiser; and
- b. Bear the other expenses of the appraisal and umpire equally.

If there is an appraisal, we will still retain our right to deny the claim.

3. Duties In The Event Of Loss Or Damage

- a. You must see that the following are done in the event of loss or damage to Covered Property:

- (1) Notify the police if a law may have been broken.
- (2) Give us prompt notice of the loss or damage. Include a description of the property involved.
- (3) As soon as possible, give us a description of how, when and where the loss or damage occurred.
- (4) Take all reasonable steps to protect the Covered Property from further damage, and keep a record of your expenses necessary to protect the Covered Property, for consideration in the settlement of the claim. This will not increase the Limit of Insurance. However, we will not pay for any subsequent loss or damage resulting from a cause of loss that is not a Covered Cause of Loss. Also, if feasible, set the damaged property aside and in the best possible order for examination.
- (5) At our request, give us complete inventories of the damaged and undamaged property. Include quantities, costs, values and amount of loss claimed.
- (6) As often as may be reasonably required, permit us to inspect the property proving the loss or damage and examine your books and records.
Also permit us to take samples of damaged and undamaged property for inspection, testing and analysis, and permit us to make copies from your books and records.
- (7) Send us a signed, sworn proof of loss containing the information we request to investigate the claim. You must do this within 60 days after our request. We will supply you with the necessary forms.
- (8) Cooperate with us in the investigation or settlement of the claim.

- b. We may examine any insured under oath, while not in the presence of any other insured and at such times as may be reasonably required, about any matter relating to this insurance or the claim, including an insured's books and records. In the event of an examination, an insured's answers must be signed.

4. Loss Payment

- a. In the event of loss or damage covered by this Coverage Form, at our option, we will either:
 - (1) Pay the value of lost or damaged property;
 - (2) Pay the cost of repairing or replacing the lost or damaged property, subject to b. below;
 - (3) Take all or any part of the property at an agreed or appraised value; or
 - (4) Repair, rebuild or replace the property with other property of like kind and quality, subject to b. below.

We will determine the value of lost or damaged property, or the cost of its repair or replacement, in accordance with the applicable terms of the Valuation Condition in this Coverage Form or any applicable provision which amends or supersedes the Valuation Condition.

- b. The cost to repair, rebuild or replace does not include the increased cost attributable to enforcement of any ordinance or law regulating the construction, use or repair of any property.
- c. We will give notice of our intentions within 30 days after we receive the sworn proof of loss.
- d. We will not pay you more than your financial interest in the Covered Property.
- e. We may adjust losses with the owners of lost or damaged property if other than you. If we pay the owners, such payments will satisfy your claims against us for the owners' property. We will not pay the owners more than their financial interest in the Covered Property.
- f. We may elect to defend you against suits arising from claims of owners of property. We will do this at our expense.
- g. We will pay for covered loss or damage within 30 days after we receive the sworn

CP 00 10 10 00

COMMERCIAL PROPERTY

proof of loss, if you have complied with all of the terms of this Coverage Part and:

- (1) We have reached agreement with you on the amount of loss; or
- (2) An appraisal award has been made.

5. Recovered Property

If either you or we recover any property after loss settlement, that party must give the other prompt notice. At your option, the property will be returned to you. You must then return to us the amount we paid to you for the property. We will pay recovery expenses and the expenses to repair the recovered property, subject to the Limit of Insurance.

6. Vacancy**a. Description Of Terms**

- (1) As used in this Vacancy Condition, the term building and the term vacant have the meanings set forth in **(1)(a)** and **(1)(b)** below:

- (a) When this policy is issued to a tenant, and with respect to that tenant's interest in Covered Property, building means the unit or suite rented or leased to the tenant. Such building is vacant when it does not contain enough business personal property to conduct customary operations.

- (b) When this policy is issued to the owner or general lessee of a building, building means the entire building. Such building is vacant unless at least 31% of its total square footage is:

- (i) Rented to a lessee or sub-lessee and used by the lessee or sub-lessee to conduct its customary operations; and/or

- (ii) Used by the building owner to conduct customary operations.

- (2) Buildings under construction or renovation are not considered vacant.

b. Vacancy Provisions

If the building where loss or damage occurs has been vacant for more than 60 consecutive days before that loss or damage occurs:

- (1) We will not pay for any loss or damage caused by any of the following even if they are Covered Causes of Loss:

- (a) Vandalism;
 - (b) Sprinkler leakage, unless you have protected the system against freezing;
 - (c) Building glass breakage;
 - (d) Water damage;
 - (e) Theft; or
 - (f) Attempted theft.

- (2) With respect to Covered Causes of Loss other than those listed in **b.(1)(a)** through **b.(1)(f)** above, we will reduce the amount we would otherwise pay for the loss or damage by 15%.

7. Valuation

We will determine the value of Covered Property in the event of loss or damage as follows:

- a. At actual cash value as of the time of loss or damage, except as provided in **b.**, **c.**, **d.**, **e.** and **f.** below.

- b. If the Limit of Insurance for Building satisfies the Additional Condition, Coinsurance, and the cost to repair or replace the damaged building property is \$2,500 or less, we will pay the cost of building repairs or replacement.

The cost of building repairs or replacement does not include the increased cost attributable to enforcement of any ordinance or law regulating the construction, use or repair of any property. However, the following property will be valued at the actual cash value even when attached to the building:

- (1) Awnings or floor coverings;
 - (2) Appliances for refrigerating, ventilating, cooking, dishwashing or laundering; or
 - (3) Outdoor equipment or furniture.

- c. "Stock" you have sold but not delivered at the selling price less discounts and expenses you otherwise would have had.

- d. Glass at the cost of replacement with safety glazing material if required by law.

- e. Tenant's Improvements and Betterments at:

- (1) Actual cash value of the lost or damaged property if you make repairs promptly.

- (2) A proportion of your original cost if you do not make repairs promptly. We will

COMMERCIAL PROPERTY

determine the proportionate value as follows:

- (a) Multiply the original cost by the number of days from the loss or damage to the expiration of the lease; and
- (b) Divide the amount determined in (a) above by the number of days from the installation of improvements to the expiration of the lease.

If your lease contains a renewal option, the expiration of the renewal option period will replace the expiration of the lease in this procedure.

- (3) Nothing if others pay for repairs or replacement.

- f. Valuable Papers and Records, including those which exist on electronic or magnetic media (other than prepackaged software programs), at the cost of:
 - (1) Blank materials for reproducing the records; and
 - (2) Labor to transcribe or copy the records when there is a duplicate.

F. Additional Conditions

The following conditions apply in addition to the Common Policy Conditions and the Commercial Property Conditions.

1. Coinsurance

If a Coinsurance percentage is shown in the Declarations, the following condition applies.

- a. We will not pay the full amount of any loss if the value of Covered Property at the time of loss times the Coinsurance percentage shown for it in the Declarations is greater than the Limit of Insurance for the property.

Instead, we will determine the most we will pay using the following steps:

- (1) Multiply the value of Covered Property at the time of loss by the Coinsurance percentage;
- (2) Divide the Limit of Insurance of the property by the figure determined in Step (1);
- (3) Multiply the total amount of loss, before the application of any deductible, by the figure determined in Step (2); and
- (4) Subtract the deductible from the figure determined in Step (3).

We will pay the amount determined in Step (4) or the limit of insurance, whichever is less. For the remainder, you will either have to rely on other insurance or absorb the loss yourself.

Example No. 1 (Underinsurance):

When: The value of the property is	\$250,000
The Coinsurance percentage for it is	80%
The Limit of Insurance for it is	\$100,000
The Deductible is	\$250
The amount of loss is	\$40,000

Step (1): $\$250,000 \times 80\% = \$200,000$

(the minimum amount of insurance to meet your Coinsurance requirements)

Step (2): $\$100,000 \div \$200,000 = .50$

Step (3): $\$40,000 \times .50 = \$20,000$

Step (4): $\$20,000 - \$250 = \$19,750$

We will pay no more than \$19,750. The remaining \$20,250 is not covered.

Example No. 2 (Adequate Insurance):

When: The value of the property is	\$250,000
The Coinsurance percentage for it is	80%
The Limit of Insurance for it is	\$200,000
The Deductible is	\$250
The amount of loss is	\$40,000
The minimum amount of insurance to meet your Coinsurance requirement is \$200,000 ($\$250,000 \times 80\%$). Therefore, the Limit of Insurance in this Example is adequate and no penalty applies. We will pay no more than \$39,750 (\$40,000 amount of loss minus the deductible of \$250).	

- b. If one Limit of Insurance applies to two or more separate items, this condition will apply to the total of all property to which the limit applies.

Example No. 3:

When: The value of property is:	
Bldg. at Location No. 1	\$75,000
Bldg. at Location No. 2	\$100,000
Personal Property at Location No. 2	\$75,000
	<hr/>
	\$250,000

The Coinsurance percentage for it is	90%
The Limit of Insurance	

CP 00 10 10 00

COMMERCIAL PROPERTY

for Buildings and Personal Property at Location Nos. 1 and 2 is	\$180,000
the Deductible is	\$1,000
The amount of loss is:	
Bldg. at Location No. 2	\$30,000
Personal Property at Location No. 2	\$20,000
	<hr/>
	\$50,000

Step (1): $\$250,000 \times 90\% = \$225,000$
 (the minimum amount of insurance to meet your Coinsurance requirements and to avoid the penalty shown below)

Step (2): $\$180,000 \div \$225,000 = .80$

Step (3): $\$50,000 \times .80 = \$40,000$

Step (4): $\$40,000 - \$1,000 = \$39,000$

We will pay no more than \$39,000. The remaining \$11,000 is not covered.

2. Mortgageholders

- a. The term "mortgageholder" includes trustee.
- b. We will pay for covered loss of or damage to buildings or structures to each mortgageholder shown in the Declarations in their order of precedence, as interests may appear.
- c. The mortgageholder has the right to receive loss payment even if the mortgageholder has started foreclosure or similar action on the building or structure.
- d. If we deny your claim because of your acts or because you have failed to comply with the terms of this Coverage Part, the mortgageholder will still have the right to receive loss payment if the mortgageholder:
 - (1) Pays any premium due under this Coverage Part at our request if you have failed to do so;
 - (2) Submits a signed, sworn proof of loss within 60 days after receiving notice from us of your failure to do so; and
 - (3) Has notified us of any change in ownership, occupancy or substantial change in risk known to the mortgageholder.

All of the terms of this Coverage Part will then apply directly to the mortgageholder.

- e. If we pay the mortgageholder for any loss or damage and deny payment to you because of your acts or because you have

failed to comply with the terms of this Coverage Part:

- (1) The mortgageholder's rights under the mortgage will be transferred to us to the extent of the amount we pay; and
- (2) The mortgageholder's right to recover the full amount of the mortgageholder's claim will not be impaired.

At our option, we may pay to the mortgageholder the whole principal on the mortgage plus any accrued interest. In this event, your mortgage and note will be transferred to us and you will pay your remaining mortgage debt to us.

- f. If we cancel this policy, we will give written notice to the mortgageholder at least:

- (1) 10 days before the effective date of cancellation if we cancel for your nonpayment of premium; or
- (2) 30 days before the effective date of cancellation if we cancel for any other reason.

- g. If we elect not to renew this policy, we will give written notice to the mortgageholder at least 10 days before the expiration date of this policy.

G. Optional Coverages

If shown as applicable in the Declarations, the following Optional Coverages apply separately to each item.

1. Agreed Value

- a. The Additional Condition, Coinsurance, does not apply to Covered Property to which this Optional Coverage applies. We will pay no more for loss of or damage to that property than the proportion that the Limit of Insurance under this Coverage Part for the property bears to the Agreed Value shown for it in the Declarations.
- b. If the expiration date for this Optional Coverage shown in the Declarations is not extended, the Additional Condition, Coinsurance, is reinstated and this Optional Coverage expires.
- c. The terms of this Optional Coverage apply only to loss or damage that occurs:
 - (1) On or after the effective date of this Optional Coverage; and
 - (2) Before the Agreed Value expiration date shown in the Declarations or the policy expiration date, whichever occurs first.

COMMERCIAL PROPERTY

2. Inflation Guard

- a. The Limit of Insurance for property to which this Optional Coverage applies will automatically increase by the annual percentage shown in the Declarations.
- b. The amount of increase will be :
 - (1) The Limit of Insurance that applied on the most recent of the policy inception date, the policy anniversary date, or any other policy change amending the Limit of Insurance, times
 - (2) The percentage of annual increase shown in the Declarations, expressed as a decimal (example: 8% is .08), times
 - (3) The number of days since the beginning of the current policy year or the effective date of the most recent policy change amending the Limit of Insurance, divided by 365.

Example:

If: The applicable Limit of Insurance is \$100,000
 The annual percentage increase is 8%
 The number of days since the beginning of the policy year (or last policy change) is 146
 The amount of increase is

$$\$100,000 \times .08 \times 146 \div 365 =$$

$$\$3,200$$

3. Replacement Cost

- a. Replacement Cost (without deduction for depreciation) replaces Actual Cash Value in the Loss Condition, Valuation, of this Coverage Form.
- b. This Optional Coverage does not apply to:
 - (1) Personal property of others;
 - (2) Contents of a residence;
 - (3) Manuscripts;
 - (4) Works of art, antiques or rare articles, including etchings, pictures, statuary, marbles, bronzes, porcelains and bric-a-brac; or
 - (5) "Stock", unless the Including "Stock" option is shown in the Declarations.

Under the terms of this Replacement Cost Optional Coverage, tenants' improvements

and betterments are not considered to be the personal property of others.

- c. You may make a claim for loss or damage covered by this insurance on an actual cash value basis instead of on a replacement cost basis. In the event you elect to have loss or damage settled on an actual cash value basis, you may still make a claim for the additional coverage this Optional Coverage provides if you notify us of your intent to do so within 180 days after the loss or damage.
- d. We will not pay on a replacement cost basis for any loss or damage:
 - (1) Until the lost or damaged property is actually repaired or replaced; and
 - (2) Unless the repairs or replacement are made as soon as reasonably possible after the loss or damage.

With respect to tenants' improvements and betterments, the following also apply:

- (3) If the conditions in d.(1) and d.(2) above are not met, the value of tenants' improvements and betterments will be determined as a proportion of your original cost, as set forth in the Valuation Condition of this Coverage Form; and
- (4) We will not pay for loss or damage to tenants' improvements and betterments if others pay for repairs or replacement.
- e. We will not pay more for loss or damage on a replacement cost basis than the least of (1), (2) or (3), subject to f. below:
 - (1) The Limit of Insurance applicable to the lost or damaged property;
 - (2) The cost to replace the lost or damaged property with other property:
 - (a) Of comparable material and quality; and
 - (b) Used for the same purpose; or
 - (3) The amount actually spent that is necessary to repair or replace the lost or damaged property.

If a building is rebuilt at a new premises, the cost described in e.(2) above is limited to the cost which would have been incurred if the building had been rebuilt at the original premises.

- f. The cost of repair or replacement does not include the increased cost attributable to enforcement of any ordinance or law

The enforcement of any ordinance or law:

- (1) Regulating the construction, use or repair of any property; or
- (2) Requiring the tearing down of any property, including the cost of removing its debris.

This exclusion, Ordinance Or Law, applies whether the loss results from:

- (1) An ordinance or law that is enforced even if the property has not been damaged; or

- (a) Airborne volcanic blast or airborne shock waves;
- (b) Ash, dust or particulate matter; or

c. Governmental Action

Seizure or destruction of property by order of governmental authority.

But we will pay for loss or damage caused by or resulting from acts of destruction ordered by governmental authority and taken at the time of a fire to prevent its spread, if the fire would be covered under this Coverage Part.

- e. Explosion of steam boilers, steam pipes, steam engines or steam turbines owned or leased by you, or operated under your control. But if the discharge, dispersal, seepage, migration, release or escape of "pollutants" results in a "specified cause of loss, we will pay for the loss or damage caused by that "specified cause of loss".

This exclusion, l., does not apply to damage to glass caused by chemicals applied to the glass.

- m. Neglect of an insured to use all reasonable means to save and preserve property from further damage at and after the time of loss.

- 3. We will not pay for loss or damage caused by or resulting from any of the following, 3.a. through 3.c. But if an excluded cause of loss that is listed in 3.a. through 3.c. results in a Covered Cause of Loss, we will pay for the loss or damage caused by that Covered Cause of Loss.

But this exclusion does not apply to a written lease agreement in which you have assumed liability for building damage resulting from an actual or attempted burglary or robbery, provided that:

- (i) Your assumption of liability was executed prior to the accident; and

- (ii) The building is Covered Property under this Coverage Form.

- a. Steam boilers, steam pipes, steam engines or steam turbines caused by or resulting from any condition or event inside such equipment. But we will pay for loss of or damage to such equipment caused by or resulting from an explosion of gases or fuel within the furnace of any fired vessel or within the flues or passages through which the gases of combustion pass.

- (2) The loss or damage is caused by or results from thawing of snow, sleet or ice on the building or structure.

- d. Building materials and supplies not attached as part of the building or structure, caused by or resulting from theft.

- e. Property that is missing, where the only evidence of the loss or damage is a shortage disclosed on taking inventory, or other instances where there is no physical evidence to show what happened to the property.

- f. Property that has been transferred to a person or to a place outside the described premises on the basis of unauthorized instructions.

2. We will not pay for loss of or damage to the following types of property unless caused by the "specified causes of loss" or building glass breakage:

Valuable papers and records do not include prepackaged software programs.

These special limits are part of, not in addition to, the Limit of Insurance applicable to the Covered Property.

This limitation, C.3., does not apply to Business Income coverage or to Extra Expense coverage.

4. We will not pay the cost to repair any defect to a system or appliance from which water, other liquid, powder or molten material escapes. But we will pay the cost to repair or replace damaged parts of fire extinguishing equipment if the damage:

- a. Results in discharge of any substance from an automatic fire protection system; or

- b. A building or any part of a building that is in danger of falling down or caving in is not considered to be in a state of collapse;
 - c. A part of a building that is standing is not considered to be in a state of collapse even if it has separated from another part of the building;

2. We will pay for direct physical loss or damage to Covered Property, caused by collapse of a building or any part of a building that is insured under this Coverage Form or that contains Covered Property insured under this Coverage Form, if the collapse is caused by one or more of the following:
- a. The "specified causes of loss" or breakage of building glass, all only as insured against in this Coverage Part;

 - e. Weight of rain that collects on a roof;

COMMERCIAL GENERAL LIABILITY

Various provisions in this policy restrict coverage. Read the entire policy carefully to determine rights, duties and what is and is not covered.

Throughout this policy the words "you" and "your" refer to the Named Insured shown in the Declarations, and any other person or organization qualifying as a Named Insured under this policy. The words "we", "us" and "our" refer to the company providing this insurance.

The word "insured" means any person or organization qualifying as such under Section II - Who Is An Insured.

Other words and phrases that appear in quotation marks have special meaning. Refer to Section V - Definitions.

SECTION I - COVERAGES**COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY****1. Insuring Agreement.**

- a. We will pay those sums that the insured becomes legally obligated to pay as damages because of "bodily injury" or "property damage" to which this insurance applies. We will have the right and duty to defend the insured against any "suit" seeking those damages. However, we will have no duty to defend the insured against any "suit" seeking damages for "bodily injury" or "property damage" to which this insurance does not apply. We may, at our discretion, investigate any "occurrence" and settle any claim or "suit" that may result. But:

- (1) The amount we will pay for damages is limited as described in Section III - Limits Of Insurance; and
- (2) Our right and duty to defend ends when we have used up the applicable limit of insurance in the payment of judgments or settlements under Coverages A or B or medical expenses under Coverage C.

No other obligation or liability to pay sums or perform acts or services is covered unless explicitly provided for under Supplementary Payments - Coverages A and B.

- b. This insurance applies to "bodily injury" and "property damage" only if:
- (1) The "bodily injury" or "property damage" is caused by an "occurrence" that takes place in the "coverage territory";
 - (2) The "bodily injury" or "property damage" occurs during the policy period; and
 - (3) Prior to the policy period, no insured listed under Paragraph 1. of Section II - Who Is

An Insured and no "employee" authorized by you to give or receive notice of an "occurrence" or claim, knew that the "bodily injury" or "property damage" had occurred, in whole or in part. If such a listed insured or authorized "employee" knew, prior to the policy period, that the "bodily injury" or "property damage" occurred, then any continuation, change or resumption of such "bodily injury" or "property damage" during or after the policy period will be deemed to have been known prior to the policy period.

- c. "Bodily injury" or "property damage" which occurs during the policy period and was not, prior to the policy period, known to have occurred by any insured listed under Paragraph 1. of Section II - Who Is An Insured or any "employee" authorized by you to give or receive notice of an "occurrence" or claim, includes any continuation, change or resumption of that "bodily injury" or "property damage" after the end of the policy period.

- d. "Bodily injury" or "property damage" will be deemed to have been known to have occurred at the earliest time when any insured listed under Paragraph 1. of Section II - Who Is An Insured or any "employee" authorized by you to give or receive notice of an "occurrence" or claim:

- (1) Reports all, or any part, of the "bodily injury" or "property damage" to us or any other insurer;
- (2) Receives a written or verbal demand or claim for damages because of the "bodily injury" or "property damage"; or
- (3) Becomes aware by any other means that "bodily injury" or "property damage" has occurred or has begun to occur.

- e. Damages because of "bodily injury" include damages claimed by any person or organization for care, loss of services or death resulting at any time from the bodily injury.

2. Exclusions

This insurance does not apply to:

- (1) That the insured would have in the absence of the contract or agreement; or
- (2) Assumed in a contract or agreement that is an "insured contract", provided the "bodily injury" or "property damage" occurs subsequent to the execution of the contract or agreement. Solely for the purposes of liability assumed in an "insured contract", reasonable attorney fees and necessary litigation expenses incurred by or for a party other than an insured are deemed to be damages because of "bodily injury" or "property damage", provided:
 - (a) Liability to such party for, or for the cost of, that party's defense has also been assumed in the same "insured contract"; and
 - (b) Such attorney fees and litigation expenses are for defense of that party against a civil or alternative dispute resolution proceeding in which damages to which this insurance applies are alleged.

This exclusion applies:

- (1) Whether the insured may be liable as an employer or in any other capacity; and

This exclusion does not apply to liability assumed by the insured under an "insured contract".

 - (i) Any insured; or
 - (ii) Any person or organization for whom you may be legally responsible; or

However, this subparagraph does not apply to:
 - (i) "Bodily injury" or "property damage" arising out of the escape of fuels, lubricants or other operating fluids which are needed to perform the normal electrical, hydraulic or mechanical functions necessary for the operation of "mobile equipment" or its parts, if such fuels, lubricants or other operating fluids escape from a vehicle part designed to hold, store or receive them. This exception does not apply if the "bodily injury" or "property damage" arises out of the intentional discharge, dispersal or release of the fuels, lubricants or other operating fluids, or if such fuels, lubricants or other operating fluids are brought on or to the premises, site or location with the intent that they be discharged, dispersed or released as part of the operations being performed by such insured, contractor or subcontractor;
 - (ii) "Bodily injury" or "property damage" sustained within a

building and caused by the release of gases, fumes or vapors from materials brought into that building in connection with operations being performed by you or on your behalf by a contractor or subcontractor; or

- (iii) "Bodily injury" or "property damage" arising out of heat, smoke or fumes from a "hostile fire".
- (e) At or from any premises, site or location on which any insured or any contractors or subcontractors working directly or indirectly on any insured's behalf are performing operations if the operations are to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of, "pollutants".
- (2) Any loss, cost or expense arising out of any:

 - (b) Claim or suit by or on behalf of a governmental authority for damages because of testing for, monitoring, cleaning up, removing, containing, treating, detoxifying or neutralizing, or in any way responding to, or assessing the effects of, "pollutants".

However, this paragraph does not apply to liability for damages because of "property damage" that the insured would have in the absence of such request, demand, order or statutory or regulatory requirement, or such claim or "suit" by or on behalf of a governmental authority.

g. **Aircraft, Auto Or Watercraft**

Standard Fire Policy State
Notice of Terrorism
Insurance Coverage**

The Terrorism Risk Insurance Act of 2002 establishes a program within the Department of the Treasury, under which the federal government shares, with the insurance industry, the risk of loss from future terrorist attacks. The Act applies when the Secretary of the Treasury certifies that an event meets the definition of an act of terrorism. The Act provides that, to be certified, an act of terrorism must cause losses of at least five million dollars and must have been committed by an individual or individuals acting on behalf of any foreign person or foreign interest to coerce the government or population of the United States.

In accordance with the Terrorism Risk Insurance Act of 2002, we are required to offer you coverage for losses resulting from a certified act of terrorism. The policy's other provisions will still apply to such an act.

DISCLOSURE OF FEDERAL PARTICIPATION IN PAYMENT OF TERRORISM LOSSES.

The United States Government, Department of the Treasury will pay a share of terrorism losses insured under the federal program. The federal share equals 90% of that portion of the amount of such insured losses that exceed the applicable insurer retention.

The premium charge for certified acts of terrorism under the program is located on the declarations page of your policy. If there was a premium charged for this coverage, the amount will be shown on the policy declarations page and included in your billing.

STANDARD FIRE POLICY STATES

In this state, there is an exception in the terrorism exclusion (and thereby coverage) for fire losses resulting from an act of terrorism. Therefore, if you reject the offer of terrorism coverage, that rejection does not apply to fire losses resulting from a certified act of terrorism.

If you choose to reject this coverage, you must notify your agent of this decision. For new policies, notification must be made within 30 days of receipt of this policy. For renewal policies, notification must be made prior to its effective date or within 30 days of receipt of this notice, whichever is later. An exclusion of certain terrorism losses will be made part of this policy.

COMMERCIAL GENERAL LIABILITY

We will share the remaining loss, if any, with any other insurance that is not described in this Excess Insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this Coverage Part.

c. Method Of Sharing

If all of the other insurance permits contribution by equal shares, we will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any of the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable limit of insurance to the total applicable limits of insurance of all insurers.

5. Premium Audit

- a. We will compute all premiums for this Coverage Part in accordance with our rules and rates.
- b. Premium shown in this Coverage Part as advance premium is a deposit premium only. At the close of each audit period we will compute the earned premium for that period and send notice to the first Named Insured. The due date for audit and retrospective premiums is the date shown as the due date on the bill. If the sum of the advance and audit premiums paid for the policy period is greater than the earned premium, we will return the excess to the first Named Insured.
- c. The first Named Insured must keep records of the information we need for premium computation, and send us copies at such times as we may request.

6. Representations

By accepting this policy, you agree:

- a. The statements in the Declarations are accurate and complete;
- b. Those statements are based upon representations you made to us; and
- c. We have issued this policy in reliance upon your representations.

7. Separation Of Insured

- a. As if each named Insured were the only Named Insured; and

- b. Separately to each insured against whom claim is made or "suit" is brought.

8. Transfer Of Rights Of Recovery AGAINST Others To Us

If the insured has rights to recover all or part of any payment we have made under this Coverage Part, those rights are transferred to us. The insured must do nothing after loss to impair them. At our request, the insured will bring "suit" or transfer those rights to us and help us enforce them.

9. When We Do Not Renew

If we decide not to renew this Coverage Part, we will mail or deliver to the first Named Insured shown in the Declarations written notice of the nonrenewal not less than 30 days before the expiration date.

If notice is mailed, proof of mailing will be sufficient proof of notice.

An agreed settlement means a settlement and release of liability signed by us, the insured and the claimant or the claimant's legal representative.

4. Other Insurance

When this insurance is excess, we will have no duty under Coverages A or B to defend the insured against any "suit" if any other insurer has a duty to defend the insured against that "suit". If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insurers.
